SUPERIOR COURT OF ARIZONA
MARICOPA COUNTY

LC 2002-000388

12/18/2002

This case was assigned to this division for disposition on November 22, 2002. While reviewing the tape submitted by the East Phoenix #1 Justice Court, this Court discovered that the tape consists of, apparently, the entire court's morning or afternoon calendar. After listening to two complete trials, this Court had still not heard the case involving Appellant, Robert F. Bartz.

The record referred to in Rule 22, Arizona Rules of Procedure for Civil Traffic cases, refers to a record of the proceedings, not the entire court's calendar. It is time consuming and not cost effective for this court to listen to an entire day's calendar looking for the record of the particular case that has been appealed.

IT IS THEREFORE ORDERED that the Clerk of this Court return the hearing tape to the East Phoenix #1 Justice Court submitted in this case.

IT IS FURTHER ORDERED that the Clerk of East Phoenix #1 Justice Court will return a tape recording consisting only of those matters in State of Arizona v. Robert F. Bartz, and no other cases, to the Clerk of this Court no later than January 17, 2003.

IT IS FURTHER ORDERED that the Clerk of the East Phoenix #1 Justice Court will notify this division when the redacted and correct tape recording is filed with the Clerk of the Court.
